SARGENT-WELCH SCIENTIFIC COMPANY

12-06661-02E

August 14, 1979

James G. Keppler, Director
U.S. Nuclear Regulatory Commission
Region III
799 Roosevelt Road
Glen Ellyn, IL 60137

Dear Mr. Keppler:

We have your letter and Bulletin No. 79-19 dated August 10, 1979.

Page 3 of the Bulletin requires licensees who do not generate low-level radioactive waste to so indicate.

Sargent-Welch Scientific Company does not generate low-level radioactive waste.

Sincerely,

Jerry D. Deemer
