Dear Sir:

Re: IE Bulletin No. 79-19 Reference: CCDC License No. 37-02694-01

As per instructions in Bulletin No. 79-19 dated August 10, we respond as follows:

We do not generate any low-level radioactive waste material at the present time; but if our license were ammended for such isotopes, we would fully comply with your instructions as set forth in the subject bulletin.

Very truly yours,

J Paul Echter
