Dear Mr. O'Reilly:

You recently sent IE Bulletin No. 79-19 to the Department of Physics, VPI & SU. This is no longer the correct department and resulted in a delay of nearly two weeks for the Bulletin to reach us. Please correct our address and direct future mailings to either myself as Director of our Office of Health and Safety Regulatory Programs or Mr. S. L. Meyers, our Radiological Safety Officer or Dr. A. H. Krebs, our Vice President for Administration, under whom our radiation safety falls.

Thank you.

Sincerely,

A. Keith Furr
Director
