Dear Mr. Raje:

Your recent letter to Chairman Hendrie suggesting ways to prevent or mitigate accidents like that which occurred at Three Mile Island Nuclear Station, Unit 2 was referred to this office for response.

In the coming months, we will carefully review all the information obtained and developed as a result of the Three Mile Island accident and will reevaluate our requirements in light of our findings. Your suggestions, as well as the many others we have received, will be considered in this effort.

On behalf of the entire Nuclear Regulatory Commission staff, I want to express my appreciation for your interest and contribution.

Sincerely,

Harold R. Denton, Director  
Office of Nuclear Reactor Regulation
