Ms. Kathryn A. Willis  
Clerk of the Board  
Cape May County Board of Chosen Freeholders  
Cape May Court House  
Cape May, NJ 08210

Dear Ms. Willis:

Your letter of April 12, 1979 to the Nuclear Regulatory Commission, enclosing a resolution of the Cape May County Board of Chosen Freeholders on nuclear generating facilities, has been referred to this Office for response.

After the Three Mile Island accident, NRC immediately initiated a review of all operating plants and identified actions to be taken by licensees of such plants. The NRC also established several task forces to determine and apply the lessons learned from the Three Mile Island accident. These task forces will recommend both short-term and long-term modifications of equipment, procedures, and training.

We appreciate the concerns expressed in the resolution and assure the Board that every effort is being made to ensure the continued protection of the health and safety of the public at all nuclear power plants.

Sincerely,
