

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

July 28, 1979

Mr. Melvin W. First, Chairman
Harvard School of Public Health
Air Cleaning Laboratory
665 Huntington Avenue
Boston, Massachusetts 02115

Dear Mel:

In response to a letter from June Ling, Manager, Nuclear Codes, dated June 8, 1979, I have reviewed the draft "Qualifications of Field Testing Personnel for Nuclear Air and Gas Cleaning Components and Systems," dated May 18, 1979 and I have no substantive comments to offer at this time.

Sincerely,

John T. Collins

John T. Collins, Deputy Director
TMI-2 Support
Office of Nuclear Reactor Regulation
