IN RESPONSE REFER
TO FOIA-79-379

Dear Mr. Kessler:

This is in response to your letter dated August 31, 1979 in which you requested, pursuant to the Freedom of Information Act, a list of NRC personnel located in the Washington, DC and Maryland areas.

The NRC telephone directory lists this information, and is available on a subscription basis at the cost of \$15.00 per year. You may obtain a copy by writing to the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20502.

For your information, because of the existing heavy burden of handling the NRC's official mail, it is the practice of the NRC to limit the use of its internal mail system to official business. As a result, commercial solicitation received by the NRC Mail Room will be marked "Refused by Addressee", and will be returned to the sender. This action is in accordance with Chapter I, Parts 154 and 159, of the U.S. Postal Service Manual. As you may be aware, Part 154, as interpreted by the General Counsel's Office of the U.S. Postal Service, provides that mail sent to officials or employees of Federal agencies is the property of the agency and is not the personal mail of the individuals to whom the letters are addressed.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".
