Dear Sirs:

This is to inform you that as of August 24, 1979, I will no longer be actively participating in the South Texas and Comanche Peak proceedings. My husband, a Professor of Political Science at Catholic University, long ago arranged to spend the coming academic year at Stanford University. At that time I made arrangements to transfer to the Antitrust Division's San Francisco Field Office during the period he will be at Stanford.

When I began work on this matter, it seemed probable that the South Texas and Comanche Peak evidentiary hearings would be concluded before my scheduled departure. Although I regret having to leave at this important stage of the development of the case, I am confident that the Department's trial staff will make every effort to continue forward with the discovery and preparation of this matter for hearing. Susan B. Cyphert will be replacing me as lead counsel. She may be reached at the Antitrust Division at 724-6472.

I want you to know, that I have enjoyed my work on these matters and am always available for consultation should I be able to be of any service. My new address and phone number will be:
