Mr. Steven K. Showe
Chief, PWR Technology
Career Management Branch
Office of Inspection and Enforcement
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Steve:

I want to thank you for one of the best weeks I've had recently. That course on the Sequoyah simulator was outstanding, and I learned a lot. More than that final exam showed, I think!

Please pass on my appreciation to Paul and Len.

Sincerely,

Joseph M. Henurie
