Dear Mr. Macy: *John*

Thank you for your August 14 letter inviting us to discuss with you areas of mutual concern regarding radiological emergency response planning for nuclear facilities.

I will be pleased to host such a meeting in my office on the 11th Floor, 1717 H Street at 4:00 p.m. on Tuesday, September 11. I understand that an agenda is being prepared by our respective staffs.

I look forward to an interesting and productive discussion of these important issues.

Sincerely,
