SPENT FUEL POOL STORAGE EXPANSION

Gentlemen:

Georgia Power Company hereby submits Amendment 2 to the report entitled "Spent Fuel Pool Modification" which was included as part of our July 9, 1979, application for expansion of the spent fuel storage capacity of Plant Hatch Units 1 and 2. This amendment has been prepared in response to the questions contained in your letter of August 24, 1979. In addition, this amendment includes corrections of typographical errors which have been identified in the original report.

Very truly yours,

R. J. Kelly
