Re: Three Mile Island

Dear Jerry:

I enclosed an ammended and corrected exhibit number two to be substituted for the exhibit number two attached to my report to the Pennsylvania Insurance Commissioner dated August 16, 1979.

Through a clerical oversight, the list of business interruption claims did not include some of the claims wherein suit had already been filed. The ammended list attached contains the ommitted suit listing on page five. The last twenty items represent the omitted items. Please substitute this list for the incomplete list previously forwarded.

Yours very truly,

William C. Carrier Claims Counsel
