U.S. NUCLEAR REGULATORY COMMISSION
Quality Assurance Branch
Division of Project Management
Washington, D.C. 20555

ATTENTION: Mr. Walter P. Haass
Quality Assurance Branch

Dr. Mr. Haass,

In accordance with your previous instructions, attached is a listing of the Brown & Root Topical Report (B&R-002A) general organization and minor editorial changes. These changes are nonsubstantial and do not affect the program.

These changes will be incorporated in the next major revision to the Brown & Root Topical Report.

If after your review you have any questions, we will be glad to review and discuss the changes as noted.

Sincerely,

A handwritten signature in cursive script that reads "T. H. Gamon".

T. H. Gamon
QA Manager
