Docket Nos. 50-416/417

MEMORANDUM FOR: J. Stolz, Chief, Light Water Reactors Branch 1, DPM  
 FROM: R. Wayne Houston, Chief, Emergency Planning Branch, DPM  
 SUBJECT: ACCEPTANCE REVIEW - GRAND GULF NUCLEAR STATION UNITS 1 AND 2  
 EMERGENCY PLANNING

Applicant: Mississippi Power & Light Company  
 Licensing Stage: OL  
 Branch and LPM Requesting Assistance: LWR-1, C. Thomas  
 EPB Reviewer: R. F. Priebe, X27441  
 Requested Completion Date: 5/22/78  
 Review Status: Acceptance Review Complete

We have completed our acceptance review of the material pertaining to emergency planning as submitted by the applicant in Section 13.3 of the FSAR for the Grand Gulf Nuclear Station. We find that the pertinent matters of the Commission requirements in our area of review have been sufficiently addressed, and therefore recommend that this amendment to the application be docketed.
