Mr. M. Peterson
Acting Assistant Director
Export/Import and International Safeguards
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Peterson:

Please grant us an amendment to license numbers XSNM-865 (FFY), XSNM-866 (FEY), XSNM-844 (ARZ/ASZ) and XSNM-861 (LEM/LOM) to increase the total quantities to be shipped to Spain.

The increased quantities for each of the above licenses will be 89 Kgs. of U-235 contained in 2774 Kgs. of Uranium. The reason for the increase is in case any of the fuel assemblies arrive at the site damaged, we can ship replacement assemblies.

A request for import license will be submitted under separate cover.

Very truly yours,

R. P. Keenan
