Detroit, Mich 48093

Dear Mr. Levin

I am writing you in hope that I might receive some information on the nuclear accident.

I am researching this topic and would appreciate your assistance.

Sincerely,

*Neil Hanna*

Neil Hanna

1. What would happen if the hydrogen bubble exploded?
2. How could it have been prevented?
3. How easy would it be to sabotage an atomic plant?
4. How effective are the alarm systems on atomic plants?
