Mr. Richard A. Frank, Administrator
National Oceanic and Atmospheric
Administration
U.S. Department of Commerce
Washington, D. C. 20230

Dear Mr. Frank:

The Nuclear Regulatory Commission is pleased to accept Secretary Kreps' invitation to participate in Federal Coastal Programs Review. Mr. Daniel R. Muller, Acting Director of the Division of Site Safety and Environmental Analysis, will represent the NRC during the review. His alternate will be Dr. Harold Berkson. Mr. Muller may be reached by telephone at 492-7017. The telephone number for Dr. Berkson is 492-8282. The mailing address for both is:

Division of Site Safety and Environmental Analysis
U.S. Nuclear Regulatory Commission
Washington, D. C. 20555

Sincerely,
