Privacy and Proprietary Material
in Emergency Plans
Docket No. 50/395

Dear Mr. Eisehut:

South Carolina Electric and Gas Company submitted a draft of the V. C. Summer Nuclear Station, Emergency Plan Procedures, in early April, 1981. Emergency Plan Procedure (EPP) - 006, "Communication and Notification" contains telephone numbers of company and offsite personnel who will respond during an emergency. Please delete these telephone numbers as we consider this material proprietary.

All other emergency plan and procedure information submitted to the Nuclear Regulatory Commission from South Carolina Electric and Gas Company may be released to the public document room.

If you need additional information regarding this matter, please contact us.

Yours very truly,

A handwritten signature in dark ink, appearing to read "T. C. Nichols, Jr." with a stylized flourish at the end.

T. C. Nichols, Jr.
