Dr. Michael Masnik
P-234
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Dr. Masnik:

Enclosed for your use are recent reports of ecological studies in Barnegat Bay conducted by Ichthyological Associates.

Please feel free to contact me for any additional information related to ecological impact of the Oyster Creek Nuclear Generating Station.

Very truly yours,

Michael J. Kennish
Environmental Scientist
