Re: Freedom Of Information Act Request

Dear Sir or Madam:

This is a request on the Freedom of Information Act, 5 U.S.C. 552 as amended. This request is made on behalf of the People of the State of Illinois, by their attorney, William J. Scott, Attorney General of the State of Illinois.

This Request seeks all documents including but not limited to directives, memo's and Executive Orders pertaining to:

(a) Procedures and standards for persons outside the Agency to obtain classified documents; and

(b) Requirements and conditions under which classified documents will be made available to persons outside the Agency.

Because none of the statutory exemptions from the Acts mandatory disclosure provisions apply, access to the requested records should be granted within ten (10) working days. In the unlikely event, however, that access is denied to any part of the requested records, please describe the deleted material in detail and specify the statutory basis for the denial as well as your reasons for believing that the alleged statutory justifications apply to this instance. Please separately state your reasons for not invoking your discretionary powers to release the requested documents in the public interest.

We anticipate that you will make the requested material available within the statutorily prescribed period. We also request that you waive any applicable fees since disclosure meets the statutory standard for waiver of fees in that "furnishing the information can be considered as primarily benefiting the general public." 5 U.S.C. Section 552(4)(A).

If you have any questions you can reach me at the below listed number.

Very truly yours,

DEAN HANSELL
