Docket Nos. 50-498/499

The Honorable Henry B. Gonzalez  
U. S. House of Representatives  
Washington, DC 20515

Dear Congressman Gonzalez:

Thank you for your letter of September 24, 1979, which enclosed a copy of a letter from Mr. Lanny Sinkin requesting that a local public document room be established in San Antonio, Texas. Mr. Sinkin's original letter was apparently misdirected in the NRC mail system, and we appreciate your bringing his request to our attention.

As indicated by the enclosed letter from Mr. J. M. Felton, Director, Division of Rules and Records, to Mr. Sinkin, the staff has been in contact with Mr. Sinkin, and arrangements have been made to forward copies of NRC inspection reports to the San Antonio Public Library, San Antonio, Texas. These reports have now been sent to the library, and the document collection will be updated as new reports become available.

We regret any inconvenience our delay may have caused Mr. Sinkin.

Sincerely,

Dear Mr. Sinkin:

Your letter of August 1, 1979, requested that an additional local public document room (LPDR) for the South Texas Project, Units 1 and 2, be established in San Antonio, Texas. As I mentioned during our telephone conversation on October 4, although your letter was included in the licensing proceeding on Dockets 50-498 and 499, my copy was apparently misdirected in the NRC mail system. However, I have now received Congressman Gonzalez's letter of September 24 which forwarded a copy of your August 1 letter. I regret the delay in responding to your request, and trust that the information provided below will be responsive to your needs.

In talking with you, you said that you were primarily interested in having access in San Antonio to NRC inspection reports concerning the South Texas Project. Arrangements have now been made with Mr. Mike Sexton, Director, San Antonio Public Library, 203 S. St. Mary Street, San Antonio, Texas, to receive and maintain these reports on a continuing basis. Mrs. Jona Souder, Chief of the Local Public Document Room Branch, discussed this with you and has assured me that these reports will be sent to the library this week. The inspection reports are being sent to Mr. James Sosa, Business, Science, and Technology Department, where they will be housed on the second floor of the library. Any future reports will also be sent to Mr. Sosa. I understand that the library's hours of operation are:

Monday - Friday	9 am to 9 pm
Saturday	9 am to 6 pm

As you indicated in your letter, we have established an additional LPDR for the operating license proceeding at the Austin Public Library, Austin-Travis County Collection, Austin, Texas. The Austin Public Library will have all of the documents relating to the operating license proceeding, and will be considerably more accessible to you than the Bay City Library. The hours of operation of the Austin Public Library are:

Monday - Thursday	9 am to 9 pm
Friday and Saturday	9 am to 6 pm
Sunday	2 pm to 6 pm

Again, please accept my apologies for the delay in responding to your letter. If you have any questions, please do not hesitate to contact me (301-492-7211) or Mrs. Souder (301-492-7536).

Sincerely,
