Cleveland, Ohio 44103

Dear Mrs. Kaus:

The resolution by the Progressive Slovene Women of America concerning a halt in the building of nuclear power plants, which you sent to the Chairman of the Nuclear Regulatory Commission, has been referred to me.

We appreciate the concerns of members of your organization and assure them that every effort is being made to ensure the continued protection of the health and safety of the public at all nuclear power plants that are operating or under construction.

Sincerely,

Harold R. Denton, Director  
Office of Nuclear Reactor Regulation
