September 20, 1979

Mr. Charles E. MacDonald, Chief
Transportation Branch
Division of Fuel Cycle and Material Safety
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Reference: Letter, Charles E. MacDonald to L. K. Trent dated June 6,
1979

Dear Mr. MacDonald:

Babcock & Wilcox-Naval Nuclear Fuel Division's Certificate of Compliance No. 5149 for shipping container model no. 814A expires October 31, 1979. Please renew this Certificate of Compliance so we may have continued use of this container.

Attached is a container description and evaluation which consolidates information supplied in the original application dated January 4, 1967 and supplemental letters dated February 1, 1967 and March 6, 1967. Also attached are all the drawings that are referenced in the container description text. This consolidation of information is being supplied as requested in the reference letter.

Babcock & Wilcox certifies that the contents of the original application remains accurate and correct and that no loss of or damage to the container contents has occurred during its use.

The attached pages are classified CONFIDENTIAL RESTRICTED DATA and contain information of the type specified in 10 CFR 2.790(d). Therefore, this material should be withheld from public disclosure.

Enclosed is a check in the amount of \$150.00 to cover the renewal fee required by 10 CFR 170.31.

Sincerely,

BABCOCK & WILCOX
