MEMORANDUM FOR: Howard K. Shapar
 Executive Legal Director

FROM: Harold R. Denton, Director
 Office of Nuclear Reactor Regulation

SUBJECT: LICENSING ASSISTANT FOR TMI-1 PROCEEDING

In response to your memorandum of September 27, 1979, regarding a dedicated Licensing Assistant for the TMI-1 effort, we also believe that this proceeding will require nearly full-time effort. Accordingly, we have given the assignment of TMI-1 activities, as first priority, and TMI-2 activities, as time permits to Pat Kreuzer.
