Re: Plant Edwin I. Hatch Unit II
Docket No. 50-366
License No. SNM-1772

Dear Mr. Saltzman:

The attached Invoice No. 774-79 has been received to cover indemnity fee on this license for the period October 28, 1979, through October 27, 1980. It is our understanding that License No. SNM-1772 covered storage and possession of nuclear fuel and was replaced by Operating License No. NPF-5.

I would appreciate your letting me know if No. SNM-1772 was indeed replaced by No. NPF-5, and as a result, the \$100.00 indemnity fee of Invoice No. 774-79 should no longer be due.

Very truly yours,

D. B. Cochran
