Sister Rosalie Bertell
151 East Street
Buffalo, NY 14207

Dear Sister Bertell:

We have received your completed NRC Form 443 and attached curriculum vitae, and are completing the necessary steps to bring you aboard as a consultant.

In order to complete the procedures, there is some paperwork which we must finish after which you will be asked to complete one additional form.

Thank you for your patience in this matter.

Sincerely,

Michael A. Parsont, Chief
Radiological Health Standards Branch
Office of Standards Development
