NRC Docket No. 50-219, 71-0964, and 72-0015

Subject: Request for Continuation of NRC Actions and Approvals for Oyster Creek Nuclear Generating Station following Transfer of the Licenses from Exelon Generation to Holtec Decommissioning International, LLC

References:

1. Letter from Amy M. Snyder (U.S. Nuclear Regulatory Commission) to Bryan C. Hanson (Exelon Generation Company, LLC) – "Order Approving Transfer of the License for the Oyster Creek Nuclear Generating Station and Conforming License Amendment (EPID# L-2018-LLM-0002), dated June 20, 2019
2. Email from Michael P. Gallagher (Exelon Generation) to Bruce Watson (U.S. Nuclear Regulatory Commission) Notification of the Completion of Sale Closure Activities Transferring Oyster Creek Nuclear Station Ownership to Holtec International, dated July 1, 2019 (ML19182A342)

In accordance with the NRC Order issued approving the transfer of the Oyster Creek Renewed Operating License and Independent Spent Fuel Storage Installation General License (Reference 1), the activities necessary to close the sale and transfer the Oyster Creek Nuclear Generating Station from Exelon Generation Company, LLC to Oyster Creek Environmental Protection, LLC were completed on July 1, 2019 (Reference 2). At the time of the closing, with the NRC's approval, Exelon Generation transferred the NRC license from Exelon Generation to Oyster Creek Environmental Protection, LLC (OCEP) as the owner and to Holtec Decommissioning International, LLC (HDI) as decommissioning operator.

RA-19-076

HDI-OC-19-036

In accordance with the NRC regulations, HDI, on behalf of themselves and OCEP, respectfully requests NRC to continue all ongoing regulatory actions and reviews currently underway for Oyster Creek Nuclear Generating station. HDI and OCEP have assumed responsibility for the continuation of these regulatory actions and reviews.
