TASK FORCE REVIEWS

In consideration of our current schedules I recommend the following sequence for Task Force reviews of the next few cases.

1. San Onofre 2/3 - PWR-CP
Report due to ACPS March 23. Suggest review on Feb. 16.
2. Three Mile Island-1 - PWR-OL
Report due to ACPS mid-April. Because of important meeting with applicant on February 23, DeYoung requests Task Force review on Feb. 18. If San Onofre can't be done on Feb. 16, Three Mile should come first.
3. Fort St. Vrain - WTR-OL
Report due to ACPS April 16. Suggest review week of Feb. 22.
4. Pilgrim-PWR-OL
Report due to ACPS March 18. Because of info expected from applicant next week, suggest review week of Jan. 22.
