Docket No. 50-289  
 License No. CPPR-40

POOR ORIGINAL

Gentlemen:

This refers to the inspection conducted by Dr. Gallina of this office on October 2-5, 1973 at the Three Mile Island Nuclear Station of activities authorized by AEC License No. CPPR-40 and to the discussions of our findings held by Dr. Gallina with Messrs. Herbein, Colitz, Deakin and Summers of your staff at the conclusion of the inspection.

Areas examined during this inspection included: Emergency planning and implementation procedures; emergency equipment and interface agreements with offsite agencies. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with plant personnel, and observations by the inspector.

Within the scope of this inspection, no violations or safety items were observed.

In accordance with Section 2.790 of the AEC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the AEC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
