Dear Mr. O'Reilly:

On November 12, 1975 a verbal agreement was made between Mr. J. J. Colitz (Met-Ed) and Mr. L. Spessard (NRC). This agreement was that our engineering staff would evaluate the acceptability of our anchor bolt surveillance program. Please be advised that this evaluation will not be completed until January 26, 1976.

Should you have any questions in this regard please contact me.

Sincerely,

Signed - R. C. Arnold
