Subject: Cherokee Nuclear Station  
Docket Nos: 50-491, 492 & 493  
IE Bulletin 79-14  
Duke File: CK-1412.11-1

Dear Mr. O'Reilly:

Erection of systems at Cherokee Nuclear Station has not progressed to the point that significant comparisons between design documents and as-built configuration are possible. This comparison will be done during our normal inspection program.

Very truly yours,

L. C. Dail, Vice-President
