Gentlemen:

This refers to the investigation conducted by Mr. G. A. Phillip of this office on September 25 and 26, 1979, of activities at Perry Nuclear Power Plant authorized by NRC Construction Permits License Nos. CPPR-148 and CPPR-149 and to the discussion of our findings with Messrs. R. L. Vondrasek, and J. J. Connelly at the conclusion of the investigation.

The enclosed copy of our investigation report identifies the reason for the investigation which consisted of a review of pertinent procedures and records and interviews of personnel.

No items of noncompliance with NRC requirements were identified during the course of this investigation.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed investigation report will be placed in the NRC's Public Document Room, except as follows. If this report contains information that you or your contractors believe to be proprietary, you must apply in writing to this office, within twenty days of your receipt of this letter, to withhold such information from public disclosure. The application must include a full statement of the reasons for which the information is considered proprietary, and should be prepared so that proprietary information identified in the application is contained in an enclosure to the application.
