RE: Houston Lighting & Power Co. (South Texas  
Plant, Unit Nos. 1 & 2), NRC Docket Nos.  
50-498A and 50-499A

Dear Lon:

Enclosed, as you requested, are Affidavits of Robert E. Roundtree, PUB's General Manager, and Larry R. Gawlik, PUB's Associate General Manager for Engineering and Planning, attesting to the May 2 and June 26 Responses of PUB to Houston Lighting & Power Company's First Set of Interrogatories, as supplemented or corrected in Attachment A to the Affidavits.

Included in Attachment A is a copy of the recent Burns & McDonnell power supply study requested by Greg Copeland in his October 22 letter to me.

I have also enclosed a copy of a report entitled Power Supply Study and Financial Forecast for Public Utilities Board, Brownsville, Texas, submitted to PUB by R. W. Beck & Associates in January, 1972. This is presumably the report referred to in the PUB minutes of July 26, 1971. We were able to locate a copy of this report late last week.

Sincerely,

*Bob*
