RE: Houston Lighting & Power Company
South Texas Project Units 1 and 2
(Docket Nos. 50-498A and 50-499A)

Dear Roy:

Counsel for Houston has been advised of the existence of additional documents responsive to document request 1 of the Staff's Supplemental Request for Production of Documents and the subpoena of July 9, 1979, addressed to Abraham Gerber. These documents consist of data sheets and preliminary computer runs of a study, the final version of which was produced for the Staff's inspection at the offices of the National Economic Research Associates, Inc., ("NERA") in New York. The preliminary materials are located in NERA's Washington office.

Should the Staff so request, these documents will be produced for inspection at a mutually convenient time.

Sincerely,

Peter G. Flynn
