NRC Docket Nos. 50-498A, 50-499A

Dear Dave:

Attached is a copy of a document in the form we received it from the Central Power & Light discovery. We are very interested in it, for reasons that will become apparent when you read that portion of it which has been reproduced. Your Xerox technical appears to have slipped in making our copy. Would you provide us with a complete copy of the document?

Very truly yours,

Marc Poirier
