Dear Mr. Hutton -

I am writing in reference to your proposal to change your regulations pertaining to those who can & cannot become intervenors in matters concerning nuclear power plants already under construction. I do hope that you will change this with reference to PRM-2-7. In particular, I am advocating a change in rules so that Kudzu Alliance may be an official intervenor in matters referring to the Shearon Harris nuclear plant outside Chapel Hill, N.C.

Thank you,

Madeline C. Flagler
