LICENSEE'S RESPONSE TO COMMUNICATION
FROM JANE LEE

In an undated letter docketed by the Nuclear Regulatory Commission on August 20, 1979, Jane Lee sought permission "to participate in testifying at the TMI-1 hearings tentatively scheduled for February 1, 1980." In particular, Ms. Lee requested time to submit "medical and environmental information garnered * * * over a three year period" to "the NRC Panel selected for the purpose of deciding the continued operation of Unit 1 at TMI."

Metropolitan Edison Company ("Licensee") understands Ms. Lee's letter to be a request to make a limited appearance pursuant to 10 C.F.R. § 2.715(a) and not to be a petition to intervene pursuant to 10 C.F.R. § 2.714(a). The Licensee does not object to Ms. Lee making a limited appearance by oral or written statement with respect to matters germane to the proceeding.

Respectfully submitted,

SHAW, PITTMAN, POTTS & TROWBRIDGE
