Docket No. 50-83

Dr. Nils J. Diaz
Associate Professor and
Director of Nuclear Facilities
University of Florida
Department of Nuclear Engineering Sciences
202 Nuclear Sciences Center
Gainesville, Florida 32611

Dear Dr. Diaz:

We have reviewed your revised Requalification Program for the UFTR operators submitted on June 8, 1979. We find your revised program acceptable subject to the following provisions:

> An individual demonstrating continued knowledge and understanding under Paragraph V, "absence from authorized activities," shall do so through an "interview and evaluation or a written, oral, or operational examination or a suitable combination thereof."

Subject to incorporation of the above provision, we find your program continues to meet the requirements of Section 50.54(i-1) of 10 CFR Part 50 and appendix A of 10 CFR Part 55.

Sincerely,

/S/

Paul F. Collins, Chief
Operator Licensing Branch
Division of Project Management
