January 24, 1980

Mr. Richard Abrams
Director of Nuclear Product Development
Helix Process Systems
Walkup Drive
Westboro, Massachusetts 01581

Dear Mr. Abrams:

SUBJECT: TRANSMITTAL OF NEWPORT NEWS REPORTS

In accordance with your telephone request on January 16, 1980, enclosed is a copy of the non-proprietary version of the topical report submitted by Newport News concerning its volume reduction system for radioactive waste produced by nuclear power plants. Also enclosed are copies of supplemental information submitted by Newport News on this subject.

Sincerely,

Robert L. Baer

Robert L. Baer, Chief
Light Water Reactors Branch No. 2
Division of Project Management
