Regarding: Freedom of Information Act Request.

Dear Gentlepeople,

Pursuant to the Freedom of Information Act, 5 U.S.C. §552, as amended, The Nuclear Information and Resource Service (NIRS) requests the following documents concerning the Matter of:

Public Service Electric & Gas Company

Salem Nuclear Generating Station, Unit, 1.

Docket Nos. 50-272, \_\_\_\_\_

A copy of the contentions being heard by the Atomic Safety & Licensing Board of the U.S. Nuclear Regulatory Commission, from the intervenors in the hearings.

In our opinion, it is appropriate in this case for you to waive copying charges, pursuant to 5 U.S.C. §552 (a)(4)(A) "because furnishing the information can be considered as primarily benefiting the general public." Nuclear Information and Resource Service is a non-profit public interest organization, which provides the public with information and resources on nuclear issues.

Thank you for your prompt consideration.

Sincerely,

*Coral Ryan*
