Washington, D.C. 20555
Attention: Docketing and Service Section

Dear Secretary of the Commission:

Enclosed you will find a proof of service* which should be attached to the petition for leave to intervene for the League of Women Voters of Rockford, Illinois regarding the Operating License for the Byron Station, Docket Nos. 50-454 and 50-455.

Since I am unfamiliar with the correct procedure and have not consulted an attorney, I am not sure whether or not this Affidavit is needed. Because Commonwealth Edison questioned my authority to speak for the League, I decided to send the affidavit and hope that, if needed, it will be accepted at this date.

Sincerely,

A handwritten signature in cursive script that reads "Betty Johnson".

Natural Resources and Energy committee of
