Ms. Marissa Bailey
Director, Division of Security Operations
Office of Nuclear Security and Incident Response
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Subject: Review and Endorsement of NEI 18-11, "Maintaining 10 CFR Part 95 Facility Clearances for Voluntary Program Participants," Revision 1, Dated September 2019

Project Number: 689

Dear Ms. Bailey:

By letter dated December 18, 2018, the Nuclear Energy Institute (NEI)¹ submitted for the U.S. Nuclear Regulatory Commission's (NRC) review and approval NEI 18-11, "Maintaining 10 CFR Part 95 Facility Clearances for Voluntary Program Participants." On May 29, 2019, the NRC held a public meeting to discuss its review. NEI has revised the document to address the comments presented during that meeting. NEI requests that the NRC review and endorse Revision 1 to NEI 18-11, attached.

Please contact me at (202) 739-8123 or wrg@nei.org with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "William R. Gross", is written over a horizontal line.

William R. Gross

NRC Document Control Desk

¹ The Nuclear Energy Institute (NEI) is the organization responsible for establishing unified industry policy on matters affecting the nuclear energy industry, including the regulatory aspects of generic operational and technical issues. NEI's members include entities licensed to operate commercial nuclear power plants in the United States, nuclear plant designers, major architect/engineering firms, fuel cycle facilities, nuclear materials licensees, and other organizations and entities involved in the nuclear energy industry.
