OFFICE ADDRESS
1001 16TH STREET
MOLINE, ILLINOIS 61265

Mr. Thomas A. Ippolito, Chief
Operating Reactors Branch #3
Division of Operating Reactors
U.S. Nuclear Regulatory Comm.
Washington, D.C. 20055

Dear Mr. Ippolito:

I understand this summer that hearings will be held in relation to additional radioactive spent fuel rods being stored in Illinois.

I truly believe enough discussion has been held with regard to this and personally hope that you would cease and desist in any further attempt to store nuclear waste in the State of Illinois.

Thank you for considering my request, and if my office can ever be of any assistance to you, please feel free to contact me.

Respectfully,

Ben Polk
Minority Whip
