Dear Mr. Moore:

This is in response to your letter of June 6, 1974, requesting we submit to your office an amendment to the TMI Industrial Security Program describing in detail the security arrangements unique to the period when Unit I is operating and Unit 2 is still under construction.

A draft of such an amendment has been written, but we prefer to hold formal submission of it until after our scheduled July 9, 1974, meeting with Mr. Houston of the Industrial Security and Emergency Planning Branch. It is our intention to submit to you by July 12, 1974, an amendment which recognizes his comments and which conforms to the guidelines of ANSI N18.17-1973.

Sincerely,

R. C. Arnold
Vice President-Generation
