UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

TERA

NOV 23 1979

Mr. Charles V. McMahon
Division of Occupational Health and
Radiation Control
Department of Health
75 Davis Street
Providence, Rhode Island 02908

Dear Mr. McMahon:

In response to your recent request, please find enclosed a copy of those portions of the catalog for coding items of noncompliance used by the NRC which would apply to agreement material licenses.

If we may be of further assistance, please call on us.

Sincerely,

Jim

E. C. Ashley
State Agreements Program
Office of State Programs

Enclosure:
As stated

P.S. Also enclosed are amendments to 10 CFR Part 71 which were discussed in our October 31, 1979 letter to All Agreement States.
