Persuant to Section 2.740b, I am submitting the foøllowing  
answers to Staff's Interrøgatories.

General Interrogatories to be answered by all Intervenors.

1. I do not know yet. A lot will depend on the answers to  
my interrogatories to be filed shortly.
2. The substance o f my testimony has a long way to go.  
Principally, I will present evidence to show that the  
filters and other catchments for radioactive effluents  
are not adequate in many ways besides being cracked and  
not working because they got wet.
