

Utility Users for Reasonable Rates

110 Hemlock Lane

Mont Laurel

N. J. 08054.

May 26th 1978.

Gentlemen,

I wish to apply to make a limited appearance in the September Hearings concerning Public Service Electric & Gas Company's request to increase the capacity for on-site spent fuel storage from 264 to 1,170 fuel assemblies at the Salem Nuclear Generating Station, Unit I. (New Jersey) Docket No 50-272.

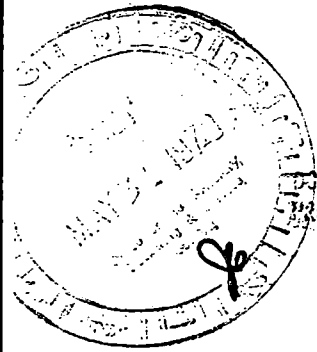

Very Truly Yours

Margaret A. Wasson

Coordinator

Utility Users for Reasonable Rates

Burlington County.
