Rec'd 1-11-79

TO: FREEDOM OF INFORMATION OFFICER
U.S. NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C.

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, I hereby request a copy of "Mark I Containment Short Term Program Safety Evaluation Report," NUREG-0408, December 1977. This item is not available for public inspection at the LPDR for the Duane Arnold Energy Center. I have been unable to locate it since I first looked for it in October 1978; nor have I found any information to show it was ever available there in the first place. The LPDR for the Duane Arnold Energy Center is the Cedar Rapids Public Library, 426 Third Ave S.E., Cedar Rapids, Ia, 52401.

I request that the NRC waive fees connected with this disclosure, since I beleive disclosure will benefit the public. If expenses in excess of $15 are incurred in connection with this request, please contact me before proceeding.

If you do not grant my request within 10 working days, I will deem my request denied.

Thank you.
