Re: Pacific Gas and Electric Company
Stanislaus Nuclear Project, Unit No. 1
NRC Docket No. P-564A

Dear Mr. Goldberg:

You have requested that we indicate whether Northern California Power Agency and its members ("NCPA") are willing to permit an outside contractor to perform the reproduction of documents selected by the NRC Staff in discovery in the above proceeding. Because of the interferences this would cause in the normal operations of NCPA, we are not willing to permit such an arrangement. However, we are willing to provide copies of whatever discovery documents the NRC Staff selects at a charge equal to our reproduction costs, but not to exceed ten cents per page (except for oversize documents which may cost more).

If this proposal is acceptable to the NRC Staff, please notify me and I will make the necessary arrangements to effectuate it.

Very truly yours,

Thomas C. Trauger
