

March 5, 1979

SECY-79-157

UNITED STATES
NUCLEAR REGULATORY COMMISSION

INFORMATION REPORT

For: The Commissioners

From: James R. Shea, Director
Office of International Programs

Thru: Executive Director for Operations

Subject: EXECUTIVE BRANCH RESPONSE ON PENDING EXPORT
APPLICATION DATED 2-22-79, XSNM01345, HEU TO
CANADA

Purpose: To inform the Commission of the above subject. *JAR for LUB.*

Discussion: Enclosed for the information of the Commission are copies of the Executive Branch response on a pending export license application. (See letter to Tarnoff dated 7-21-78) Copies of the Executive Branch comments have been placed in the Public Document Room. A Commission Action Paper will be forwarded soon.

Commissioners are requested to advise the staff of any particular issues or information which they can identify at this stage and which they wish included in the staff's analysis.

James R. Shea, Director
Office of International Programs
